GENERAL INFORMATION

Funds available for camperships covered by this application come from funds restricted for use for youth members who are attending Santa Fe Trail Council camp activities on Council operated properties and Cub Scout camps. Please read all instructions completely and fill in all spaces. Do not include extra paper with this application. The council outdoor adventures Committee is concerned about the individual needs and the unit's individual evaluation of the Scout for whom this request is made. Camperships are limited to no more than 75% of the activity cost. Each Scout, his family, or his unit should provide a minimum of 25% of the activity cost. Camperships are not transferable, refundable and have no cash value. Applications must be submitted no later than May 1, 2019. Campership will not be accepted at camp. All information in this application will be treated confidentially.

INSTRUCTIONS

Please read all instructions completely and fill in all spaces. Do not include any additional paper.

CAMPERSHIP REQUEST

Please list the amount requested including costs provided by the family, and unit. Specific consideration will be given to those that include amounts of need, and not just the maximum amount allowable. The ninth part of the Scout Law is "A Scout is THRIFTY." A Scout works to pay his own way. The council outdoor adventure committee is very interested in what the Scout has done to assist his family in providing him with this camping experience. This is a character building opportunity for the scout to learn the importance of being THRIFTY.

FAMILY INFORMATION

Briefly, describe the general circumstances that require campership assistance for the Scout to attend camp.

UNIT ENDORSEMENT

This area is extremely valuable to the Council Camping Committee. Failure of the Unit to provide this endorsement may result in the application being denied or delayed until further information can be obtained. Information should be provided in this area as to the Scout's participation in the unit fundraising activities like popcorn sales. In many cases, the unit will be aware of the financial need of the Scout. Confirmation of this fact or further explanation is helpful. Do not merely repeat information already provided. In keeping with the policies of the Boy Scouts of America, the rules for acceptance and participation in camp programs are the same for everyone without regard to race, sex, creed, color, national origin, age or physical limitation.
