Friday Program Options –

Legend’s Hike – Is a 6 mile hike around the scout ranch and surrounding areas. There are stories that are told along the way. The stories depict the rich history around the scout ranch and history of the Spanish Peaks. Great hike for any scout, with lots of great views.

20 Miler Hike – is a 20 mile to Walsenburg, CO. It is one of the requirements for the hiking merit badge also. We will have the scouts taking the hiking merit badge on this hike. This hike starts early in the morning!

Conservation and reforestation project – This is a project of planting trees, erosion control on the Scout Ranch and also on national forest property. The project is on the part of the property that was damaged during the fire. A fantastic way for scouts to see, practice, and learn about conservation.

ATV Safety – This an ATV Rider Course for the older scouts. Scouts will learn to ride ATV’s safely and enjoy riding ATV’s. The class size is limited, so sign up early.

Rock Climbing and Rappelling – This is one day course for scouts to experience rock climbing and rappelling. Limited to ages 14 and older and max class of 12 participants.
