

ATV Training Course

At Mandan Scout Camp

September 27 & 28 2014

April 18 & 19 2015

Each day the ATV Ridercourse is offered at two different sessions AM or PM, that's two courses per day! Classes will start on time, do not be late!

Santa Fe Trail Council will now be offering the ATV Safety Institute *Ridercourse* to scouts within the council as well as the general public. The *ATV Ridercourse* is a hands-on learning experience, with particular emphasis on the safety implications relating to each lesson. The course also covers protective gear, environmental concerns, local laws and safety techniques. The training includes pre-ride inspections, starting and stopping, turning (gradual and quick), hills (stopping, u-turns, traversing), emergency stopping and swerving, and riding over obstacles.

ATV's are fun as well as functional. They are used in all types of off-highway applications such as farming, military activities, police patrolling, racing, and recreational riding. Being responsible, using common sense and practicing important skills are all important ingredients in making ATV riding more rewarding.

Please contact the Council Service Center at (620) 275-5162 for more information and to sign up! *And sign up early, class size is limited!!*

Boy Scouts or Venturers must be age 14 or older to drive an ATV, and the program requires youth and adults to wear long pants, long-sleeve shirts and over-the-ankle boots. The course also requires all riders to wear helmets, goggles, and gloves. You can bring your own helmet, goggles, gloves, and an ATV to Mandan Scout Camp for the ATV Training Program. All machines will be inspected and must be age appropriate machine for the rider. *AM courses check-in 7:30 am, PM courses check-in 1:30pm. Courses will start on time, if you're late you will miss out.*

Attn: All YOUTH **must** have Parent/Guardians fill out the ATV Ridercourse Waiver. It can be found on the following link:
